EXPERIENCE

BLACKBIT VISUAL // OWNER // APRIL 2018 - PRESENT

I've tabled at conventions across the nation like SPX, Ohayocon, and Anime Oasis. I sell self published comics, zines, prints and other merch. Alongside selling my personal work, I do creative consultations in web design, branding, and other business development services.

NANOBOX // ILLUSTRATION INTERN // JAN 2018 - APRIL 2018

I was brought in to assist in a rebranding effort to bring Nanobox, a tech company specializing in web scalability, more in line with their core values and target specific demographics. I worked alongside the lead designer to create meaningful supplemental illustrations that both humanized and explained complex technological processes.

LEAD ANIMATOR // BYUI STUDENT LIFE COMMUNICATIONS // AUG 2017 - MAY 2018

Handled all animation and video compositing for internal ads at Student Life Communications, for departments all over campus on an as-needed basis. Created fliers, brochures, and posters for sports and wellness events. Redesigned the office space for SLC.

SENIOR DESIGNER // BYUI MARCOMM // MAY 2016 - AUG 2017

Helped prototype and develop a modular web authoring tool to better produce and maintain BYUI web pages within brand standards. Created animated explainer videos, internal video ads and supplemental animations on campus. Created event posters, 3D architectural mockups and signage. Provided additional design work to the Pathway program, providing education online to students in other countries.

UI/UX DESIGNER // BYUI EXECUTIVE DESIGN TEAM // JULY 2015 - MAY 2016

Worked on a creative team to overhaul BYUI's branding guide, then managed a team of developers to update thousands of web pages to new brand standards. Created presentations and explainer videos to introduce students to new campus tools.

ILLUSTRATOR // BYUI STUDENT SUPPORT // JAN 2012 - AUG 2012

Worked with an art director to provide supplemental illustrations to re-brand the freshman orientation program, Get Connected. Designed Swag and giveaways for the Student Ambassadors and School Tour programs. Created event posters for events run by Student Support.
